**Please note:** Do NOT use this form to apply for an exterminator licence. If you plan to apply for a new pesticide exterminator licence, you must become certified through Ontario Pesticide Training and Certification, and your study manuals will be included as part of your certification fee. There is no discount in the fee if you already have the manuals. For a certification application, please call 1-888-620-9999 or 519-674-1575.
